

CSW62 REPORT BACK

The National Women's Alliances invite you to a day of updates and strategic planning, covering:

- Perspectives on the CSW Agreed Conclusions from Civil Society and Government
- CSW parallel and side event highlights and reflections
- Assessing CSW outcomes against the SDGs and CEDAW Committee list of issues
- Implementation of the Agreed Conclusions and future engagement in CSW

The forum is an opportunity to bring together those with experience in international processes and those who want to know more about how these processes affect women in Australia and across the world.

Friday, 13 April 2018 – 10am to 4pm
